

# Become a Workplace Health and Safety Specialist

This is a participatory, hands-on course that focuses on empowering workers to take leadership roles in promoting health and safety at their workplace. Participants will identify and analyze the causes of workplace injuries and illnesses, learn how to control hazards and the elements of an injury and illness prevention program. The training will be conducted by instructors from the Labor Occupational Safety and Health Program (LOSH) of the University of California, Los Angeles.

## CALL US TO SIGN UP FOR THE NEXT FREE 24-HOUR HEALTH AND SAFETY TRAINING

### WHAT DO PARTICIPANTS RECEIVE?

**Materials:** Health and Safety Resource Manual

**Certificate:** Participants who complete all 24 hours of the course receive a certificate and become Worker Occupational Safety and Health (WOSH) Specialists
